Greetings,

The purpose of this letter is to provide a mechanism for the transfer of copyright, publication and selling rights of the "Manual of the Plants of Colorado" by H.D. Harrington to the Colorado Native Plant Society. This flora has been out of print since 1978 or earlier. The Colorado Native Plant Society would like to have the copyright for this document in order to reprint, and reproduce the original document in electronic format, for continued distribution. It is with deepest appreciation and respect that the Colorado Native Plant Society asks that you transfer rights to this non-profit organization that is dedicated to the appreciation and conservation of the Colorado native flora.

We, the undersigned transfer the copyright and all publication and selling rights of the "Manual of the Plants of Colorado" by H.D. Harrington to the Colorado Native Plant Society.
